

Amtgard Level 1 — How to Read These Cards

One card per class (front & back). Everything you need to play that class at level 1: equipment, your starting abilities, and full ability/spell definitions. Notation:

1/Life

Uses per life; refills each time you respawn.

1/Refresh

Uses per Refresh; refilled only when a Reeve calls a Refresh.

Charge xN

Reusable, but must be re-Charged after the initial N uses are spent.

Unlimited

May be used any number of times.

(T) Trait

Always on; cannot be removed; needs no incantation.

(ex) Extraordinary

Non-magical ability.

(m) Magical

Magical ability; Enchantments count toward your limit.

(Ambulant)

May be incanted while moving.

(A) Archetype

A level-6 build-defining choice (shown for context; not a level-1 option).

Incantation

The “quoted” phrase you must say (xN = repeat that many times) to activate the ability.

Death

Any two wounds, or one wound to the torso, kills you.

Anti-Paladin
